The deduction is reduced during the last 3 calendar years of a zone's designation. The deduction allowance factor is: 100% for all but the last three years of a zone's designation; 75% for the tax year that is 2 years before the final year of designation; 50% for the tax year immediately preceding the final year of designation; and 25% for the final year of designation. For example, properties in Renaissance Zone 1 began having reduced deductions in 2019 (unless a specific property was granted an extension).
