## Sign Permit Requirements

### SUBMIT ALL REQUIRED DOCUMENTS FOR REVIEW:

- BUILDING / SIGN PERMIT APPLICATION:** Find application and information guides on our website at [www.walker.city](http://www.walker.city).
- ELECTRICAL PERMIT APPLICATION:** Required if the sign is illuminated.
- PHOTOGRAPHS OR RENDERINGS:** Photographs or renderings of the building and all existing signs on the property.
- PLANS:** Scale drawings including proposed sign dimensions, building frontage dimension, right of way, and setback of sign from front property line. Provide two hard copy sets and one digital copy. Email to: [cdd@walker.city](mailto:cdd@walker.city)
- SIGN ELEVATION:** Scale drawing including upper height of the sign from the grade, location of the sign on the building, and orientation of the sign.
- OWNER AUTHORIZATION:** If you are not the building owner, you will need to include a written statement from the owner authorizing you to install the sign.
